

KAUST
GLOBAL
FELLOWSHIP

At KAUST we are re-thinking the future.

We are investing in the new generation of scientists and engineers with breakthrough ideas to address global challenges, for the benefit of humanity.

The Fellowship supports excellent postdocs in their path to independent research.

MAKE A LASTING IMPACT IN THE WORLD

KAUST is a research university in Saudi Arabia, recognized for its science and engineering excellence, unparalleled laboratory facilities and equipment and its contribution to global challenges in domains including Economies of the Future, Health & Wellness, Sustainable Environment & Essential Needs and Energy & Industrial Leadership.

WHAT WE OFFER

- An annual stipend of 75,000 USD (6,250 USD monthly)
- An independent annual research budget of up to 40,000 USD
- Access to unparalleled laboratory facilities
- Career and professional development programs, including mentoring and leadership programs
- Medical insurance, accommodation, schooling, relocation and annual travel allowance

WHAT WE ARE LOOKING FOR

- Ph.D. degree from a well recognized University and related to the **four research priorities** of KAUST
- Young scientists and engineers with less than 4 years of **post-Ph.D.** experience
- Innovative research proposals with the potential to contribute in tackling global challenges

جامعة الملك عبدالله
للعلوم والتقنية
